

A large rectangular area with a dashed blue border and a solid pink inner border, intended for writing a seed name. The area is divided into three horizontal sections by two dashed green lines.

A large rectangular area with a dashed blue border and a solid pink inner border, containing growing instructions. The area is divided into three horizontal sections by two dashed green lines.

Growing Instructions
<Add seed name here>
Seeds germinate in <add germination> days

The illustration consists of three square panels. The first panel shows a hand breaking a seedstick into two pieces. The second panel shows one piece being pushed into a soil line. The third panel shows a small plant with two leaves growing out of the soil.

- 1 Break off a seedstick™
- 2 Push the pointed end into soil up to the depth line and water
- 3 Leave the stick in position as your new plant grows
